

**REMARKS/ARGUMENTS**

Reconsideration of this application and entry of the foregoing amendments are respectfully requested.

The title has been amended, as requested by the Examiner.

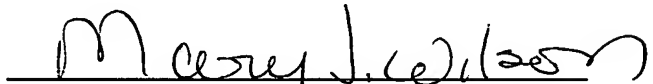

Claims 9-13 stand rejected as allegedly representing obviousness-type double patenting over claims of Application No. 10/973,977, 10/973,475 and 09/775,805. Submission herewith of Terminal Disclaimers moots the rejection. Reconsideration is requested.

This application is submitted to be in condition for allowance and a Notice to that effect is requested.

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
